### **ADDITIONAL CITIZEN FEEDBACK REQUESTED FOR NORMAN FORWARD**

*The City of Norman wants citizen input and feedback on additional projects proposed in NORMAN FORWARD*

The City of Norman wants additional feedback from its citizens regarding projects proposed as part of NORMAN FORWARD, a citizen-based quality of life initiative to create and fund multiple quality of life projects in Norman. Recently, the City Council held a work session to discuss the possible construction of an indoor aquatics center and an indoor court facility. In an effort to receive additional citizen feedback and comments regarding these specific projects, the City has launched a new web survey for these specific items on the NORMAN FORWARD page at the City of Norman website. To give feedback on these projects, or other projects discussed in previous City Council work sessions, citizens can visit <http://www.normanok.gov/cm/public-input-and-comment> or can click on the “NORMAN FORWARD” link on the City homepage and click on the “Public Input and Comment” link on the NORMAN FORWARD page.

The input from all Council work sessions and the citizen feedback received through the web survey will be used in conjunction with a statistically valid random sampling survey regarding NORMAN FORWARD which will be administered throughout Norman soon.

Citizens can also get upcoming NORMAN FORWARD meeting dates, download meeting presentations and materials and get general project information by visiting the NORMAN FORWARD page on the City of Norman website at: [www.normanok.gov/cm/norman-forward](http://www.normanok.gov/cm/norman-forward).

**Upcoming City Council Work Sessions for NORMAN FORWARD:**

- **City Council Conference - Norman Forward**  
**Date:** May 14, 2015  
**Time:** 5 pm  
**Place:** City Council Study Session Room (201 West Gray St. – City Hall)
